

## AGORA + Collector with Paper Slot

Recycling for  
**Paper**

Capacity  
**90 L**

### Description

#### Large capacity recycling stations.

Whether you choose AGORA+ for your offices, your break areas or company restaurants, AGORA+ recycling stations will enhance your waste collection operations and give you complete satisfaction for both their quality and the level of sorting. Choose from six types of openings and over 20 colours of plexiglas to create recycling stations with attractive lines and colours that meet both your aesthetic needs and environmental requirements, since they comply with HQE standards.

The AGORA+ line stands out and shines for its modular design and simple use: Six versions for personalized sorting (PAPER/WASTE/CUPS/CAFETERIA/TONER/FOOD) to meet all of your requirements as well as an interior 90-litre bin that ensures significant waste collection autonomy.

We haven't forgotten cleaning companies either, since the mobile, light base makes moving the 90-litre bins effortless while making them easy to access.
