

Mini AGORA Paper

Recycling for	Capacity
Paper	60 L

Description

The most compact PAPER version in the AGORA line.

Designed for stability and discretion, these stations are perfectly adapted to offices, foyers or school cafeterias. Four different openings can be combined to create the ideal recycling station.

Use AGORA + to create collection stations with attractive lines that meet both your aesthetic needs and environmental requirements, since they comply with HQE standards.

Four personalized sorting versions (PAPER/WASTE/CUPS/CAFETERIAS) to meet every requirement, plus a 60-litre collection bin guarantees significant autonomy for your waste collection. We haven't forgotten cleaning companies either, since the mobile, lightweight base system enables effortless movement and easy access to 60-litre collection bins.
